

Preschool

Hello July! We can't believe how fast June has passed us by and we can only imagine how fast July is going to go. Over the last month, we have started our summer camps. We have learned about bugs/insects, camping, water week, and beach week! Each week we focused our theme to try and create new experiences for each of our students as summer is always extra fun time of the year! Our virtue this past month focused on courtesy. We learned about our virtue through classroom discussions, everyday experience's/modeling, and reading books. In between all the fun of summer camps, we have also been learning about construction as we have daily views of various large equipment moving around outside.

During the month of July, we will be focusing on the 4th of July, things that go, sports week/olympics, science week and cooking week! This month we are going to be focusing on our virtue Responsibility.

We will be learning this through everyday experiences, group activities and reading. One example of everyday experiences is giving your children responsibility for their own belongings. Make a check list that you can go through Sunday night or Monday morning before school to help ensure that your children have everything they need for the week such as: blanket, water bottle, extra clothes, bathroom necessities, etc. During July, we will continue having Water Day every Tuesday. Please bring a swimsuit, closed-toed water shoes, a change of clothes and a towel. We will continue noting if we have any special days through our Tadpoles app.

Birthday Celebrations: This month we will be celebrating Carson and Ivy's birthday!

Reminders: Birthday treats must be store bought and peanut free. If you are planning to bring in cupcakes, we ask for the mini cupcakes to watch the amount of sugar consumed! Children must wear closed toed shoes at all times throughout the summer. Bikes days (Wednesday) and water days (Friday) will continue happening through the month of July, weather permitting.

Happy July! We love having you in our class!

- Mariatu, Hannah, Karin, Cassidy & Kam
