

~Toddlers~

June just flew by. Although it was rainy and unpredictable we really enjoyed the mild summer weather. The toddler class enjoyed playing on the playground and spending most of our morning outside. We enjoyed taking our morning activities outside and learning in the sunshine. Some of our favorite activities include reading books, playing with puzzles, and using chalk to learn our colors, shapes and numbers. We are excited to continue to learn outside as we dive into July.

This month we will start with celebrating the 4th of July. This week will be filled with outdoor games and fun messy activities.

Monday: Game day- wear your favorite sport team to school.

Tuesday: Tie Dye Day. Bloom will provide all Tie Dye Items and please wear clothes that CAN get dirty or stained.

Wednesday: Popsicle and fun water games (weather permitted) Please make sure your child has extra clothes in case they get too wet.

Thursday: Happy Fourth of July- Bloom is closed

Friday: PJ Campout Day- Wear your pjs to school. We will read and play in a tent, play with flashlights, and make smore trail mix.

The next two-weeks our class will explore everything Minnesota. We will dive deep into our 10,000 Lakes and explore what animals call the lakes their home. Along with the lakes of Minnesota we are going to explore Minnesota odd ball roadside attractions and traditions. The class will get to know Paul Bunyan and his blue Ox Babe as we tell stories about this amazing Minnesota folklore.

On July 17-21 Bloom will take part in the Minnesota Olympics. This will be a fun way to celebrate the summer Olympics with a taste of Minnesota sprinkled in.

Keep a watchful eye on homeroom and on our parent board for announcements and pictures during this fun week.

Finally in the last week of July to the beginning of August the class will continue on with summer Olympics. The Class will try out different summer sports at a fun toddler level.
