

Preschool

Goodbye October, Hello November! I can't believe where the time is going. It has been a busy month and we got to spend a lot of time outside in the warm weather, what an unexpected treat! We had fun celebrating our Halloween and Fall Harvest throughout the month of October. We learned about all things Autumn from leaves, acorns, squirrels, pumpkins, to apples. We even got to cook some yummy apple recipes together as a class! We talked about our virtue Perseverance and that we can keep trying until we reach our goal! Every day we started off by practicing to trace our names and work on trying to do things on our own before asking for help. It was awesome to see their progress each week and to watch them explore their independence. One thing we are starting to teach and encourage is pumping our legs to swing on our own, which has been great to see how much joy it brings them when they succeed in doing something new!

Now here we are in November! This month we will be talking about Food and Flavors. We will be experimenting with cooking and baking throughout the month. We will be learning about where our food comes from, making a recipe book, and exploring different foods and flavors. Our virtue of the month is Thankfulness. We will be discovering more about thankfulness through books, experiences, and daily shoutouts. This is a great virtue to learn through watching parents, loved ones, and teachers. Throughout our day we thank the children for things that they do without reminders or when they go out of their way to help a friend.

This month is going to start calming down from our busy month of October. On the 20th of November, we will be having a Thankful Feast and a Fall Harvest Party where you can wear your fall colors! We will be having three dress up days during the month. On the 7th dress in your favorite superhero gear! The 12th will be hat day, so wear your best hat! Lastly, on the 27th we will have a Pajama Day!

Birthdays: We have no birthdays this month!

Reminders: Please check and update extra clothing in your child's cubby, as well as, bringing in hats, mittens, and coats. (Please be sure to have boots and snow pants ready for when we have the first snow fall or temperatures drop low). We will be closed on the 28th and 29th of the month!

Happy November! We love having you in our class!

-Mariatu, Hannah, Karin, & Cassidy
