

# Preschool

Goodbye November, Hello December! It is hard to believe 2024 is almost over! We had fun celebrating our Thankful Feast with our families and even had a movie day before our Fall break! We learned about all things Food and Flavors which included making our own recipes and even cooking yummy treats together as a class! We talked about our virtue Thankfulness and every day we started off by practicing to trace our names . It was so special to be able to help them realize what they are thankful for in their lives, each of them have unique gifts that we are thankful to have in our class.

It is December! This month we will be talking about Holidays around the World; we will be learning about different celebrations that happen during this season and even making our own passports for the countries we learn about. Our virtue of the month is Giving and Sharing. We will be discovering more about giving and sharing through books, games, and other activities together as a class. We will encourage everyone to take turns and practice sharing their toys with one another. This is also a great virtue to practice at home, especially with siblings!

We have some fun dress days planned during our month of December! Every Friday will be Flannel Friday, get cozy! Our other special days include:

December 9– Holiday Headwear Day

December 16– Sweater Day

December 18– Wacky Wednesday

December 23– Pajama & Movie Day

**Reminders:** Please check and update extra clothing in your child's cubby, including all winter gear (hat, mittens, snowpants, boots, jacket)

**Birthdays:** We have one birthday in December, Brooklyn on December 4th!

Happy December! We love having you in our class!

- Mariatu, Hannah, Karin, Cassidy & Sadona
